SUMMARY

Full Stack Developer experienced in building end-to-end business applications, payment integrations, CRM systems, and AI-powered workflow automations. Proficient in React.js, Node.js, Express.js, and MongoDB, with hands-on experience integrating payment gateways, Bitrix24 CRM, IVR systems, Meta Graph API, n8n, and AI chatbots. Skilled in API development, business process automation, and deploying applications on hosting platforms and VPS servers.

SKILLS

Frontend: React.js, React Native, JavaScript, Tailwind CSS

Backend: Node.js, Express.js, REST APIs, Webhooks, JWT

Database: MongoDB, Mongoose

Payments & Integrations: Razorpay, PhonePe, Bitrix24 CRM, Meta Graph API, MyOperator IVR

AI & Automation: n8n, AI Agents, LLM APIs, AI Chatbots, Workflow Automation

Hosting & Tools: VPS, Domain/DNS Configuration, Render, Vercel, Hostinger, Git, GitHub, Postman, WordPress

EXPERIENCE

Full Stack Developer **Apr 2025 – Present**

Barça Academy India

- Developed and maintained full-stack business applications for CRM, player registration, payment processing, and financial operations using React.js, Node.js, Express.js, and MongoDB.
- Integrated Razorpay and PhonePe payment gateways, Bitrix24 CRM, Meta Graph API, Facebook Lead Ads, and MyOperator IVR to connect payment, lead management, and sales workflows.
- Built n8n automations and integrated AI APIs and chatbots to streamline sales operations, payment follow-ups, and internal workflows.
- Deployed frontend and backend applications on hosting platforms and VPS servers, configured domains and DNS, and implemented REST APIs and webhooks.
- Developed technical solutions for operational workflows involving invoicing, payment reconciliation, reporting, and inventory tracking.

Web & Mobile Developer Intern **Jul 2024 – Apr 2025**

Centre for Development of Advanced Computing (C-DAC)

- Contributed to government technology projects, including the Census Project, developing dashboard interfaces and application features using React.js and React Native.
- Worked on authentication, notifications, frontend components, and REST API integrations using Node.js, Express.js, and MongoDB.

ACHIEVEMENTS

- Represented Barça Academy India as a Coordinator at the Barça Academy World Cup 2026 in Barcelona, Spain.
- Coordinated registration, payment tracking, parent communication, and operational processes for academy camps conducted across multiple cities including Ahmedabad, Bangalore, Hyderabad, Mumbai, Kolkata, Chennai, and Kochi.

SELECTED PROJECTS

MERN Stack — **CRM & Sales Automation** — **Production System**
Built an integrated CRM workflow connecting Bitrix24, Meta Lead Ads, and MyOperator IVR for lead synchronization, caller assignment, and sales tracking.

Node.js, n8n, APIs — **Payment & AI Automation** — **Automation System**
Integrated PhonePe and Razorpay payment workflows with automated status tracking, reconciliation, follow-ups, and AI-powered operational workflows.

EDUCATION

2020 – 2024 — **B.Tech, Computer Science Engineering** — **Maharishi Dayanand University**
